Install CD and push the button on the adapter	Push the Push 'N' Connect button on the router	Secure wireless connection

PRODUCT OVERVIEW

The NETGEAR G54/N150 Wireless USB Micro Adapter is perfect to connect your laptop to Wi-Fi hotspots while on the go. The innovative micro-design is compatible with the latest in wireless connectivity and the tiny size makes it hardly noticeable when plugged into a laptop's USB port.

- **Perfect for mobility** — Ultra small Wireless-N USB adapter fits neatly into laptop's USB port
- **Surf, email, chat** — Wireless-N connection for basic Internet applications like surfing the Web, email and Facebook®
- **Compatibility** — Connection to Wireless-G or Wireless-N network allows hassle-free connection flexibility
- **Easy setup** — NETGEAR set-up wizard with graphical installation offers a simple way to connect
- **Secured connection** — Push 'N' Connect offers a secured wireless Internet connection at the push of a button
